### Action Taken Report on Feedback for Academic Session 2023-24

#### ➤ Enhanced Communication of Course Objectives:

To improve clarity regarding program outcomes and course objectives, the institution has implemented orientation sessions, mentor-mentee interactions, classroom discussions, and tutorials. These initiatives aim to ensure that students gain a deeper understanding of course goals.

#### ➤ Promotion of Innovative Pedagogies:

Recognizing the need to cultivate interest in courses, the college has embraced innovative teaching methodologies such as experiential learning and Problem-Based Learning. These approaches, integrated with technology, equip students to address real-world challenges effectively.

#### ➤ Inclusive and Socially Responsive Education:

The college has endorsed its Learning Management System (LMS) "PRAGYAN" to align the teaching-learning process with student-centric practices. This initiative fosters an inclusive and interactive academic environment, in line with the institution's development plan.

#### ➤ Entrepreneurship and Practical Application:

To integrate course content with real-world applications, students are encouraged to explore entrepreneurial ventures and start-ups through seminars, talks, and workshops. Faculty members are motivated to incorporate practical examples, case studies, and industry-relevant scenarios into their teaching materials. Increased field visits employer interaction and internship opportunities are also prioritized to enhance practical exposure.

These measures reflect the college's commitment to addressing feedback constructively and ensuring academic excellence.
