## **ANNUAL REPORT**

### **RGPG INNOVATION COUNCIL**

**2023-24**

## Annual Report 2023-24 RGPG Innovation cell IIC ID -IC202216531

- **About IIC Institute**

- **Vision**

to empower and inspire groundbreaking innovation by nurturing a collaborative environment where cutting-edge ideas can thrive, leading to transformative solutions that drive progress and create meaningful impact.

- **Mission of IIC established at the Institute**

The Mission of RGPG Innovation cell is to-

1. **Promote Innovation:** Encourage a culture of innovation and entrepreneurship among students and faculty.
2. **Support Startups:** Provide resources and support for startups and entrepreneurial ventures initiated by students and staff.
3. **Facilitating Collaboration:** Foster partnerships with industry, academia, and research organizations to advance innovative projects.
4. **Organizing Events:** Conduct workshops, seminars, and events to enhance skills and knowledge related to innovation and entrepreneurship.
5. **Encouraging Research:** Support research activities and projects that contribute to technological advancement and societal impact.
6. **Building Ecosystem:** Develop an innovation ecosystem within the institution to sustain and scale innovative ideas.

- **Journey of IIC established at the Institute**

### **Introduction:**

In February 2022, the RGPG Innovation Cell was founded at Raghunath Girls' Post Graduate College with the vision of fostering a culture of innovation and entrepreneurship among students. This initiative aimed to provide a platform for students to showcase their creative ideas and contribute to the broader innovation ecosystem.

**Objectives:** The RGPG Innovation Cell was established to encourage student-driven projects and promote awareness about intellectual property rights (IPR), patents, startup projects, entrepreneurship skills development and orientation. Its primary goals included supporting innovative student projects, fostering a collaborative environment, and enhancing knowledge about IPR.

### **Student Projects and Recognition:**

In its inaugural year, the Innovation Cell facilitated the submission of 5 student projects to the University Innovation Centre (SCIC). The exceptional quality of these projects was recognized with cash prizes awarded to the students, highlighting the cell's commitment to rewarding creativity and hard work.

### **IPR Awareness Program:**

The Innovation Cell organized an IPR awareness program in collaboration with the National IP Awareness Mission (NIPAM). This event aimed to educate students about the importance of intellectual property and how to protect their innovations effectively.

### **Years 2023 and 2024: Growth and Continued Impact**

#### **Ongoing Activities and Programs:**

Building on its success in 2022, the RGPG Innovation Cell continued to organize various activities and programs directed by MIC including IIC Calender activities ,MIC driven activity, Day celebration activity and self driven activities. This included workshops, seminars, guest lectures and collaborative events with other institutions and industry experts to keep students engaged and informed about the latest trends and opportunities in innovation.

#### **Expansion and Future Plans:**

The cell's efforts to encourage innovation and provide a platform for students have grown over the years. Looking ahead, the RGPG Innovation Cell plans to introduce more advanced programs, enhance partnerships with industry leaders, and continue its mission of nurturing young innovators.

#### **Conclusion:**

The RGPG Innovation Cell has made significant strides since its establishment in 2022. Its continuous efforts in organizing events, supporting student projects, and promoting IPR awareness have positioned it as a key player in fostering innovation at RGPG College. As it moves forward, the cell remains dedicated to creating an environment where students can thrive and contribute to the evolving landscape of innovation.
