

NCC Subject Outcomes

Under the National Education Policy (NEP) 2020, the inclusion of NCC (National Cadet Corps) as a minor subject in higher education institutions is aimed at fostering discipline, leadership, national integration, and a sense of civic responsibility among students. Below is a general overview of the subject and course outcomes:

Subject Objectives

- 1. Character Building:** To instill discipline, ethics, and values such as honesty, responsibility, and self-reliance in students.
- 2. Leadership Development:** To develop leadership qualities, effective communication, and decision-making skills.
- 3. National Integration:** To promote unity, social harmony, and an understanding of India's rich cultural heritage.
- 4. Physical Fitness:** To enhance physical and mental endurance through drills, sports, and outdoor activities.
- 5. Social Responsibility:** To encourage participation in community service, environmental conservation, and social upliftment programs.
- 6. Defence Awareness:** To provide exposure to the armed forces and prepare students for careers in defence and paramilitary services.

Course Outcomes

- 1. Discipline and Teamwork:** Students will demonstrate improved self-discipline, time management, and the ability to work effectively in teams.
- 2. Leadership and Organizational Skills:** Gain practical experience in leadership roles and learn to organize and manage events and groups.
- 3. Patriotism and Citizenship:** Exhibit a stronger sense of patriotism and contribute actively to national development.
- 4. Fitness and Resilience:** Attain better physical fitness, mental resilience, and readiness to face challenges.
- 5. Community Engagement:** Participate in community development

programs such as Swachh Bharat Abhiyan, blood donation camps, and disaster relief activities.

6. **Career Readiness:** Understand the basics of military training, weapon handling, and civil defence, preparing for careers in defence, police, or related fields.
7. **Environmental Stewardship:** Contribute to environmental conservation through tree plantation drives and awareness campaigns.
8. **Practical Exposure:** Gain hands-on experience through adventure training, field visits, camps, and drills.

Course Structure

- **Theoretical Components:** National integration, ethics and values, leadership, disaster management, and environmental conservation.
- **Practical Components:** Drill, weapon training, adventure activities (e.g., trekking, camping), and social service.
- **Assessment:** Students are evaluated on their participation, theoretical knowledge, practical skills, and community service.

The inclusion of NCC as a minor subject aligns with NEP 2020's focus on holistic education, fostering multi-dimensional skill development, and strengthening students' role as responsible citizens.
