## About Anti Ragging And Anti Sexual Harassment Cell

An Anti-Ragging Cell and Anti Sexual Harassment Cell is a dedicated body within an educational institution aimed at preventing and addressing incidents of ragging. Ragging is a form of abuse or harassment, often by senior students towards juniors, that can take various forms, including physical, verbal, or psychological harm. Anti-ragging measures are critical for maintaining a safe and respectful environment for students.

### Objectives of an Anti-Ragging Cell:

1. **Prevention of Ragging:** Ensure a ragging-free campus by promoting awareness about its consequences and implementing strict anti-ragging policies.
2. **Support and Guidance:** Provide support to victims of ragging and guide them in seeking help.
3. **Monitoring and Surveillance:** Monitor student behavior through active surveillance and foster an inclusive environment.
4. **Complaint Redressal:** Address complaints related to ragging promptly and impartially.

**Awareness Campaigns:** Conduct workshops, seminars, and orientations to educate students about the consequences of ragging
