1. Feedback Survey Report (2023-24)

Raghunath Girls' P.G. College is an affiliated of the Chaudhary Charan Singh University, Meerut. We strive for academic and extracurricular success as well as our students' entire development. The college's IQAC committee works tirelessly to guarantee that quality measures are supported and implemented across the board. For this purpose, the IQAC encourages the students, faculty members, and different stakeholders for participating in various activities/programs and also undertakes many such initiatives with the same enthusiasm. In addition, it also takes regular feedback from alumni, students, employers and teachers to ensure improvements wherever required and conducts surveys in order to assess the overall performance in the given academic year. This report will analyse the feedback received from students, alumni, employers and teachers in a detailed manner, starting from the objective of the survey, highlighting the research methodology used, illustrative analysis, and findings of the survey.

A feedback survey form was created by the IQAC committee; it was taken in a multiple-choice question format via Google form. The form was circulated amongst students (undergraduate and postgraduate level), alumni, employer and teachers across all disciplines offered by the college. To ensure unbiased and honest feedback, the names of the respondents were kept confidential.
