यह लेख अक्सर हमें याद दिलाता है कि 19 नवंबर 2024 को रघुनाथ गन्तेश्वर जी द्वारा आयोजित 'पर्यावरणीय संरक्षण और विद्यार्थी-अध्यक्षों के बीच, कुर्सी, रणनीतियों और समाधान' विषय पर एक द्विदिवसीय सेमिनार में मुख्य अतिथि के रूप में मुझे आमंत्रित किया गया। महाविद्यालय द्वारा पर्यावरण संरक्षण हेतु किए जा रहे प्रयासों की सूचना से यह सेमिनार विशेष महत्व रखता है। जानसचैक पोस्टर और पर्यावरण एवं अर्थव्यवस्था पर विद्यार्थी वर्कशॉप ने सभागार में नवपत्तन का संघार किया, और सभी श्रोताओं की सहायता उपस्थिति ने पर्यावरण संरक्षण के लिए ठोस कदम उठाने के संकल्प को और दृढ़ किया।

कार्यक्रम के सफल आयोजन के लिए मैं महाविद्यालय परिसर, प्राचार्य श्री. निवेदिता मलिक, संयोजिका प्रौ. नीला बजा, आयोजन सचिव श्री. दीप्ति बज्जरी, और समन्वयिका डॉ. गरिमा मलिक को हार्दिक बधाई प्रेषित करता हूँ। आपके निरंतर प्रयासों के लिए अत्यन्त ही शुभकामनाएँ।

इस प्रकार के महत्वपूर्ण आयोजन न केवल जागरूकता फैलाने का काम करते हैं, बल्कि सामूहिक प्रयासों की आवश्यकता को भी उजागर करते हैं। मुझे विश्वास है कि इस प्रकार से पर्यावरण संरक्षण के प्रति हम सबका संकल्प और मजबूत होगा।

इसके साथ ही ध्यान रहे कि आप अपने कार्यक्रमों में सफलता प्राप्त करें और पर्यावरण संरक्षण में अपना अमूल्य योगदान देते रहें। भविष्य में इस प्रकार के और सहयोगी प्रयासों की आशा करता हूँ, ताकि हम मिलकर इस विश्व में और बड़े कदम उठा सकें।

PSYCHOLOGICAL COUNSELLING AND TESTING CELL

The Psychological Counselling and Testing Cell of Raghunath Girls' P.G. College, Meerut functions with the objective of promoting students' mental well-being, emotional stability, and academic adjustment. The cell provides a supportive platform where students can freely express their concerns and seek professional guidance in a confidential and non-judgmental environment.

During the academic session (2022-23, 2023-24 & 2024-25) total **79** subjects approached the cell with concerns primarily related to **emotional stress, family-related issues, academic difficulties, anxiety, low self-confidence, and adjustment problems**. The counselling services helped students understand their problems, develop coping strategies, and improve their emotional and academic functioning.

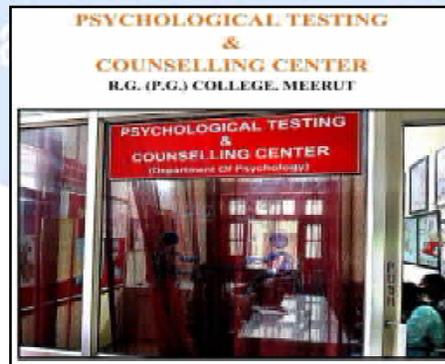

Keeping in view students' convenience and accessibility, **many counselling sessions were conducted online**, which proved especially beneficial for students who were hesitant to seek face-to-face counselling or were unable to attend physically. Online counselling ensured continuity of psychological support and widened the reach of mental health services.

The cell collaborated with experienced and qualified **online counsellors and mental health professionals**, including:

- **Dr. Malini Srivastava**, Himalayan Institute, Dehradun
- **Dr. Priyank Sharma**, Path Healing, Ghaziabad
- **Dr. Ashish Pandey**, Behaviour Therapist, Kanpur
- **Dr. Rajesh Mehra**, Karnal
- **Prof. Naved**, Jamia Millia Islamia University, Delhi
- **Dr. Nidhi Goel**, Mumbai

These experts provided professional counselling, psychological guidance, and therapeutic support through online modes, helping students manage stress, enhance emotional resilience, and improve decision-making skills.

Overall, the Psychological Counselling and Testing Cell has played a **significant role in nurturing students' mental health**, fostering emotional balance, and supporting their academic growth. The initiative has contributed positively to creating a healthy, empathetic, and student-friendly academic environment within the college.

INNOVATIVE STITCHERY CENTRE

The Innovative Stitchery Centre at Raghunath Girls' P.G. College, Meerut, serves as a dynamic platform for students to explore and refine textile artistry under the guidance of Prof. Sonika Chaudhary. It fosters skill development through traditional embroidery, sustainable fashion practices and entrepreneurial training in design and stitching. Merging cultural heritage with modern utility, the centre cultivates creativity, self-reliance and innovation.

The key highlights of the programme for the session 2024–25 are:

- The Innovative Stitchery Centre was established on 5th March, 2022 at our college through a Memorandum of Understanding (MoU) with Bharat Vikas Parishad, Meerut Main Branch, and Singer India Limited. This centre, being run by the Department of Home Science, aims to empower girls and women, both from our college and the surrounding community, by offering hands-on training in stitching and embroidery at an affordable cost.
- The centre initially launched a 6-month certified diploma course in stitching. Successful completion of this course enabled participants to secure jobs in the textile industry, work as trainers in stitching centres, or establish their own boutique businesses.
- During the 2024-25 academic session, 89 students successfully completed the Basic Stitching Skills course (V0001106), and 64 students completed the Advanced Stitching Skills course (V0001107). Additionally, 12 students earned certification in a professional course offered by Singer India Limited.
- The skills and craftsmanship of the centre's students were showcased during an exhibition-cum-sale, Hunar Haat held on 17th to 19th October, 2024 in the college. Their work received widespread appreciation from community members who visited the stall.

“He who opens a school door, closes a prison.”
