### Action Taken Report on Feedback for Academic Session 2024-25

- **Enhanced Communication of Course Objectives:**  
The college has instituted orientation seminars, mentor-mentee exchanges, classroom discussions, and tutorials to increase clarity regarding program results and course objectives. These programs are designed to make sure that students comprehend the objectives of the course more thoroughly.
- **Promotion of Innovative Pedagogies:**  
The college has adopted cutting-edge teaching strategies including problem-based learning and experiential learning after realizing the importance of fostering student enthusiasm in its courses. These methods, when combined with technology, give students the tools they need to successfully handle problems in the real world.
- **Inclusive and Socially Responsive Education:**  
In order to link the teaching-learning process with student-centric approaches, the college has endorsed its Learning Management System (LMS), "PRAGYAN." In keeping with the institution's development objective, this program promotes an inclusive and engaging learning environment.
- **Entrepreneurship and Practical Application:**  
Through seminars, presentations, and workshops, students are encouraged to investigate entrepreneurial ventures and start-ups in order to connect classroom material with practical applications. Teachers are encouraged to use real-world examples, simple studies, and scenarios that are pertinent to the sector in their lesson plans. To improve practical exposure, more field trips, employer engagement, and internship possibilities are also given priority.

These measures reflect the college's commitment to addressing feedback constructively and ensuring academic excellence.
