विद्यालय का आदर्श वाक्य : दानाय अर्ज्यते

विद्यालय गान

रहे अमर विद्यालय अपना ।  
नव विद्या की ज्योति जले नित,  
छात्राओं की सरिता बहे नित,  
पावन रहे सदा जल इसका,  
पूरा हो मन का यह सपना,  
रहे अमर विद्यालय अपना ।

एक ध्येय दानाय अर्ज्यते,  
हो प्रतीक पुष्पांजलि जयते,  
वीणावादिनी! वरद हस्त दे,  
दे नित-नित नव भाव कल्पना,  
रहे अमर विद्यालय अपना ।

कला, विज्ञान, वाणिज्य आदि का,  
सौरभ बिखराये दर्शन का,  
बनें सुगृहणी तथा सुमाता,  
सफल करें यों जीवन अपना,  
रहे अमर विद्यालय अपना ।

जीवन के सुन्दर समतल में,  
कर्म, धर्म की गति में, लय में,  
शौर्य, शील, शक्ति प्रतिमा बन,  
छू लें दूर क्षितिज नव अपना,  
रहे अमर विद्यालय अपना ।

## *Principal's Message*

Dear Students, Faculty and Esteemed Guests,

It is with great pride and gratitude that I present this year's edition of **College-O-Scope**, our annual report celebrating the achievements, growth and aspirations of our institution. This past year has been a testament to the dedication, resilience and excellence of our students and faculty, who continue to push boundaries in academics, research, extracurriculars and community service.

Education is not just about acquiring knowledge but about shaping character, fostering innovation and preparing for the future. Our college remains committed to providing a holistic learning environment that nurtures creativity, critical thinking and leadership. The milestones we have achieved this year reflect the collective efforts of our students, faculty, staff and the entire college community.

As we look ahead, let us continue striving for excellence and embracing new opportunities for growth and transformation. I extend my heartfelt gratitude to everyone who has contributed to our college's success and made this journey enriching and inspiring.

Wishing you all a year filled with learning, progress and success!

## ***Editorial Note***

Dear Readers,

Welcome to this year's edition of College-O-Scope, our annual report that encapsulates the achievements, milestones and vibrant spirit of our institution. This publication serves as a reflection of the dedication, perseverance and passion that define our students, faculty and staff.

Over the past year, our college has witnessed remarkable progress in academics, research, cultural activities and community initiatives. Each page of this report tells a story of challenges overcome, goals accomplished and dreams pursued. As we turn these pages, we celebrate the collective efforts that make our institution a hub of learning, innovation and excellence.

We extend our heartfelt gratitude to everyone who contributed to this edition—Principal Madam who always inspire, faculty who mentored with dedication and the editorial team who worked tirelessly to bring this report to life. We hope College-O-Scope serves as both a record of the past and an inspiration for the future.

Here's to another year of growth, learning, and success!

## ABOUT THE COLLEGE

Raghunath Girls' Post Graduate College, a leading institution for women in Uttar Pradesh, is located in the heart of Meerut city and is renowned for its commitment to academic excellence. Recognized as the top-ranked college by the U.P. government in 1994, it was re-accredited with a grade 'A' by NAAC in 2016, achieving a CGPA of 3.13. Currently, the college holds a grade 'B+' accreditation from NAAC with a CGPA of 2.53. In 2014, the UGC honoured the college with the prestigious status of "College of Excellence."

Established in 1929 by Smt. Kripa Devi in memory of her husband, Lala Raghunath Ji, the institution began as a modest school spanning 2.95 acres under the Kripa Devi Trust Fund. It was upgraded to a high school in 1932 and became an intermediate secondary school in 1936. With the vision to provide educational opportunities to girls in mind, Mrs. Kripa Devi conceived the idea of an educational institution and laid the foundation of Raghunath Girls' (P.G.) College under the Kripa Devi Trust Fund Society, with the noble aim of promoting women's education in the area. The institution started with 5 students and has ever since progressed to become a pioneering and reputed institution in Meerut City, with a strength of nearly 5000 students as of date catering to girl students across various disciplines including Humanities, Sciences, Commerce and Education. Building on the strong foundation of the college, we strive for making learning an enriching, fulfilling and enjoyable experience through multidisciplinary approaches. Our focus is on consistent and catalytic improvement in the overall development of the college, its students and faculties and paving way for innovative ideas and thinking to promote value-based academic environment. Today it stands high, having been declared one of the best girls' colleges in the state of Uttar Pradesh.

The college reached new milestones in 1948, becoming a graduate institution in Humanities and with the Science stream added in 1958. Post Graduate courses in Humanities commenced in 1959, followed by science in 1982. Commerce was introduced at the undergraduate level in 1993 and at the postgraduate level in 2005. In 2003, The Bachelor's of Education was introduced.

Raghunath Girls' Post-Graduate College also offers a range of vocational courses, including Food Science and Quality Control, PCM and Computer Applications, with UGC approval. Since 2015-16, the college has introduced programs in Yogic Science and Applied Clinical Psychology under the DDUKK scheme. All departments are equipped with their own e-classrooms, fostering a modern and interactive learning environment.

## KEY MILESTONE IN THE DEVELOPMENT OF RAGHUNATH GIRLS' POST GRADUATE COLLEGE

The development of Raghunath Girls' Post-Graduate College has been marked by several significant milestones. The foundation stone of the central library was laid by the Hon'ble Pandit Govind Ballabh Pant, Chief Minister of Uttar Pradesh, on December 23, 1951. The hostel was inaugurated by Dr. Rajendra Prasad, the first President of India, on January 3, 1961. The Prakashvati Sood Manovigyan Kaksh (Psychology Lab) was established in October 1968. On January 11, 1972, the college library was formally founded by Dr. B. Gopala Reddy, Governor of Uttar Pradesh and began operations after being inaugurated by Dr. M. Chenna Reddy, Governor of Uttar Pradesh, on February 24, 1976. The foundation stone of the college auditorium was laid by Shri Kailash Nath Katju, then Defense Minister of India, on August 15, 1986, symbolizing the institution's dedication to holistic education.

• **Modern Infrastructure Additions:** The Food Science Department building was constructed in 1999 with funding from Smt. Kusumlata Kansal, the daughter of Shri Gyan Prakash Mittal, a member of the college's management. Dr. Vimla Puri contributed to the creation of a common room, inaugurated on November 5, 2001. In 2004, the History Museum "Ateet ke Jharokhe se" was established, showcasing the rich heritage of the institution. The BBA block was inaugurated by Professor Ved Prakash, Vice Chairman of UGC, on February 6, 2010.

• **Further Technological Advancements:** In July 2010, the Chemistry Instrumentation Lab was established with the support of Dr. Madhu Mittal, a former Principal of the college. Later, the PCM floor was inaugurated on February 16, 2013, by Prof. Ved Prakash, Chairman of UGC. These developments have bolstered the college's infrastructure, supporting its commitment to academic excellence.

• **Leadership and Visionary Guidance:** The college has been fortunate to receive guidance from eminent leaders in its management over the years. Notable figures include Shri Raghukul Tilak (former Governor of Rajasthan), Dr. V. Puri (renowned professor and botanist), and Prof. Satish Chandra (former Chairman of UGC). Currently, Shri V. K. Modi (industrialist, Modi Group) serves as President, while Shri Puneet Nath (industrialist) holds the position of Secretary. The management has played a pivotal role in the institution's progress, including the digitization of rare books in the central library in 2022.

• **Present-Day Academic Excellence:** Today, Raghunath Girls' Post Graduate College stands as a prestigious institution in Meerut, educating nearly 5,000 female students in disciplines such as Humanities, Sciences, Commerce and Education. To address evolving educational needs, the college introduced bachelor's degree programs in vocational subjects like Yogic Science, Applied Clinical Psychology, and Information Technology during the 2015-16 academic year.

• **Recognition and Modern Facilities:** The college has undergone four cycles of NAAC accreditation, achieving an 'A' grade twice and most recently securing a 'B+' grade. It was recognized as a College of Potential for Excellence from 2006 to 2014 and was designated as a College of Excellence by the UGC in 2014. Modern amenities on campus include an ANALEMMA Sun Dial, a Psychological Testing and Counseling Centre, two NCC Units, two NSS Units, a 250-bed hostel and a fully equipped auditorium with a seating capacity of 400.

• **Empowering Future Generations:** With its proud legacy and unwavering commitment to excellence, Raghunath Girls' Post Graduate College continues to empower and inspire generations of women. By nurturing future leaders and scholars, the college remains a beacon of quality education and progress.

*"The highest education is that which does not merely give us information but makes our life in harmony with all existence."*

## IQAC: DRIVING THE COLLEGE'S JOURNEY TOWARD QUALITY ADVANCEMENT

The Internal Quality Assurance Cell (IQAC) of Raghunath Girls' Post Graduate College plays a pivotal role in ensuring the delivery of quality education. Through a multifaceted approach, the IQAC initiates various strategies to maintain and enhance educational standards. One of the primary focuses of the IQAC is curriculum effectiveness. By regularly reviewing the curriculum, the college ensures that it remains relevant and aligned with evolving educational requirements and industry demands. Additionally, the IQAC organizes FDPS aimed at enhancing the teaching skills and knowledge of educators. The IQAC implements robust mechanisms for collecting and analyzing student, parent & alumni feedback. By soliciting input on teaching methods, infrastructure, and overall college experience, the institution can identify areas for improvement and take proactive measures to address student concerns and those related to overall quality excellence. Beyond academics, the IQAC also focuses on infrastructure development, striving to create a conducive learning environment by upgrading facilities such as laboratories, libraries, and classrooms. The cell promotes research activities among faculty and students, providing incentives and collaboration opportunities to foster a culture of inquiry and innovation. Engaging with the local community is another key initiative of the IQAC, as it believes in the importance of social responsibility and practical learning experiences. Through outreach programs and partnerships with local organizations, the college enriches the educational experience of its students while making a positive impact on society. Moreover, obtaining and maintaining accreditation from relevant educational bodies is a priority for the IQAC, as it signifies the college's commitment to excellence and compliance with national and international standards. The IQAC plays a crucial role in promoting green initiatives and fostering innovation within educational institutions via efforts that integrate sustainability principles into the college's operations and curriculum. This might involve implementing eco-friendly practices such as waste reduction, energy conservation, and water management, as well as incorporating sustainability topics into various courses across disciplines by encouraging research and projects that address environmental challenges. Finally, the IQAC emphasizes a culture of continuous improvement, implementing mechanisms for ongoing monitoring, evaluation, and enhancement of all aspects of the college's functioning. By adopting a holistic approach to quality assurance, the IQAC ensures that the girls' college remains a hub of excellence in education & overall development thereby empowering students to realize their full potential and contribute meaningfully to society. "College-o-Scope is an endeavour by the IQAC to present a peek into the activities, accomplishments and initiatives of the college , students and faculties in a nutshell.

*"The advancement of knowledge is the great engine of human progress."*

## EXPLORING INDIAN KNOWLEDGE SYSTEMS AT R.G. COLLEGE, MEERUT

### ABOUT THE INDIAN KNOWLEDGE SYSTEM CELL

The Indian Knowledge System (IKS) Cell is an initiative under the Ministry of Education (MoE) and is part of the All-India Council for Technical Education (AICTE). Its primary aim is to promote and integrate India's rich cultural and intellectual heritage into modern education and research.

### OBJECTIVES OF THE INDIAN KNOWLEDGE SYSTEM CELL

- Preservation of Heritage
- Integration into Modern Education
- Interdisciplinary Research that connects traditional Indian knowledge with modern science, technology and innovation.
- Promote vocational training and skill development programs based on traditional knowledge, such as Sanskrit Heritage, Ayurveda, Yoga, Agriculture and Handicrafts.
- Showcase India's contributions to global knowledge traditions, such as ancient Yajna, Mathematics (e.g. zero), Astronomy, Metallurgy, and Medical Systems.
- Support the development of policies and programs that enable the integration of IKS into mainstream educational and research systems.
- Develop digital repositories of manuscripts, texts, and other resources, making them accessible to researchers and educators worldwide.
- Train educators, researchers, and professionals in IKS methodologies to ensure its effective implementation.

### KEY FOCUS AREAS:

- Yoga and Ayurveda: Promoting health and wellness.
- Yajna and Philosophy: Sanskrit for Mental, Spiritual and Social Health.
- Vedic Mathematics and Astronomy: Enhancing scientific learning.
- Traditional Arts and Architecture: Reviving cultural practices.
- Environmental Sustainability: Drawing insights from ancient practices like rainwater harvesting and organic farming.

## PSYCHOLOGICAL TESTING & COUNSELLING CENTER

Psychological Testing & Counseling center has been initiated by the Department of Psychology in the College. The center was inaugurated on 25-03-2008 by Prof. Manas K. Mandal, Director, Defence Institute of Psychological Research (DIPR). Defence Research and Development Organization (DRDO), Ministry of Defence, Delhi. This cell has provided a platform to psychological/ emotional Issues of the student's community and helps resolve them. Psychological Testing & counseling center in college serves as vital support resource for students, offering a safe and confidential space. Psychological Testing & counseling center provides individual counseling session, group counseling to meet the diverse need of students. The counseling cell has been active in both online and offline modes. It offered vital resource for students' mental health and personal growth. It offers a wide range of services designed to address academic, emotional, and social challenges that students may encounter. The service typically include individual and group counseling, psychological assessments, workshops, and wellness programs. Counseling sessions provide a safe, confidential space for students to discuss issues such as stress, anxiety, depression, relationship problems, or academic pressure. The professionals or trained counselors help students develop coping strategies, enhance resilience, and set achievable goals for personal and academic success. By addressing mental health proactively, the Psychological Testing and Counseling Center empowers students to navigate college life with confidence and balance. Its holistic approach contributes significantly to students' overall well-being and academic performance.

## PLANT PRESERVATION INITIATIVES BY PLANT CONSERVATION SOCIETY

- The **Plant Conservation Society (PCS)** is a society founded by Dr. Minu Gupta, Former In-charge and Associate Professor, Department of Botany, Raghunath Girls' Post Graduate College, Meerut that share the goal *“to protect native plants by ensuring that native plant populations and their communities are maintained, restored, enhanced, and distributed”*.
- It is considered as one of the best practices of our college.
- Various green initiatives and extension activities are conducted by department of Botany under the banner of Plant Conservation Society every year.
- In the session 2023-24, ~30 new members were added in the society. These members were from diverse social background and status; some of them were professional from different field such as scientist and teachers; others were students of different stream along with house managers.
- In the year 2023-24, more than 120 saplings of medicinal plants, indoor plants and ornamental plants with planters were provided to different departments and committees of the college to be gifted to the guests and resource persons of the programs (workshops, national festivals, conferences, cultural programs, competitions etc.) organised within college.
- In the session 2023-24, two outreach and extension activities on the theme “Uses of Medicinal Plants & Say No to plastic” were conducted under the banner of PCS. In the first activity, the members of Plant Conservation Society visited Rahwati Inter College, Rahwati and distributed medicinal plants to the students, teachers and workers of the college. The members of the PCS team delivered lectures emphasizing on propagation, conservation and uses of medicinal plants in different health issues. Second activity was conducted at Uttam Public School, Mawana. Students were sensitized about harmful effects of polythene and were motivated to use cloth bags for their daily life chores. Medicinal plants were gifted to the students and teachers and plantation drive was conducted in school.
- The PCS Committee, under the guidance of Principal Prof. Nivedita Kumari, is committed to work to advance plant conservation, native plant community restoration, medicinal plant conservation and distribution at local, state, and national level
