

R.G. (PG) COLLEGE, MEERUT
Best Practices Successfully Implemented by the Institution as
per NAAC Format Session: 2018-19

1. The College demonstrates a balance in academic and Lite training programmes and provides opportunities to its students to strengthen their bond with the society. The NCC, NSS, Rover Rangers programmes inspire the students to develop the sense of social responsibility. These programmes encourage the students to look beyond the boundaries of class rooms and enable them to take up challenges in the life. It helps to facilitate self-growth, self-worth and actualization of potential of the students.
2. The college also promotes the use of technology in the process of learning. The smart boards in all lecture rooms allows teaches to advise and guide students through videos and ppt, the audio-visual aids, assisted teaching enable the students to understand their syllabus in the light of wider perspectives.
The college nurtures the students in such a way to enables them to choose the right path to walk in life. Because the college has “Something to offer to every student and every student deserves a nurturing learning environment.”
