Five Elements Hydropathy: Characters & Importance of water,Different types of Bath,JAL ki pattiyan,Full Body Wrap,Anaema. Mud Therapy: Importance of mud,different methods & pattiyan of mud. Massage: definition, history, Methods of	Skill compone	Practical/ OJT/ Internship/	hours (Total- 15Hours=1 credit) 3 3 3	Hours (Total-60 Hours=2 credits) - 20 20			

for the second s	8								
Naturopathy in different diseases			1						
aggested Readings:									
PRAKRITIK AYURVIGYAN : Dr. RAKESH JINDAL									
Suggested digital platform and web links:									
https://nios.ac.in/online-course-material/vocational-courses/diploma-in-naturopathy-and-yogic-science.aspx									
Suggested Continuous Evaluation Methods: External/Internals, Test, Quiz, Presentation and Practical									
Course Pre-requisites: • No pre-requisite required, open to all •									
To study this course, a student must have the subject NAin class/12th/ certificate/diploma •									
If progressive, to study this course a student must have passed previous courses of this series.									
1 0 9									
Notes: •									
Number of units in Theory/Practical may vary as per no	eed •								
Total credits/semester-3 (it can be more credits, but students will get only 3credit/ semester or 6credits/ year • Credit									
for Theory =01 (Teaching Hours = 15) •									
Credits for Internship/OJT/Training/Practical = 02 (Tra	aining Hours	= 60)
