

DEPARTMENT OF HOME SCIENCE
RAGHUNATH GIRLS' POST GRADUATE COLLEGE

Name of the Activity: - Enlightening India's GDP by Empowering Home Scientists'

Date: - 17th February'2022

Duration: - 1 day

Venue:- Department of Home Science

No. of Participants: 14

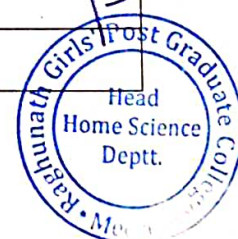

Summary

Department of Home Science organised a program to exhibit entrepreneurship skills of the students in order to foster their creativity as well as their talents in making things more eco-friendly and organic in nature. The program focused on upliftment of women entrepreneurs via the subject of home science so that the students in this discipline could also contribute in India's GDP. The program included various hand printed and embroidered products. Skills of developing handmade portable. Rangolis was one of the key concept of program. Principal Prof. Nivedita Kumari inaugurated the program and congratulated the Head of the Department Dr. Renu Kamboj and her whole team for their efforts.
