

PLAN OF ACTION

2015-16

- To utilize grant received from UGC under CE Scheme for infrastructure, ICT and technology.
- To encourage faculty members to go in development for Research projects funded from various government agencies and go in for Orientation / Refresher / FDPs.
- To organize more quality seminars / workshops / conferences both at National / State / College level.
- To motivate faculty and students to become more environment conscious.
- Teachers to maintain their academic and other achievements in the form of Departmental diaries.
- To popularize B.Voc. Courses sanctioned by DDUKK this year.
- To make feedback system from stakeholders more practical and analytical.
- To provide support to slow learners through remedial classes.
- To guide faculty members for timely promotion under CAS.
- E-library facilities, e-learning centre in the library to be provided to all students.
- To bring more placement companies in the campus.
- To initiate all departments to make teaching more effective through experiential learning.
- To develop collaborations and sign MOUs with other industries / research institutes / NGO's.
