Venue: Visual Arts: Drawing and Painting Department, R.G.P.G. College, Meerut

ABOUT THE COLLEGE

With the vision to provide educational opportunities to girls in mind, Mrs. Kripa Devi conceived the idea of an educational institution and laid the foundation of Raghunath Girls' (P.G.) College under the Kripa Devi Trust Fund Society on February 27, 1929, with the noble aim of promoting women's education in the area. The institution started with 5 students and has ever since progressed to become a pioneering and reputed institution in Meerut City, with a strength of nearly 5000 students as of date. Building on the strong foundation of the college, we strive for making learning an enriching, fulfilling, and enjoyable experience through multidisciplinary approaches. Our focus is on consistent and catalytic improvement in the overall development of the college, its students and faculties, and paving way for innovative ideas and thinking to promote value-based academic environment. Today it stands high, having been declared one of the best girls' colleges in the state of Uttar Pradesh, having completed four cycles of NAAC accreditation so far. Out of these four, the college has been accredited with an "A" grade two times and has been recently accredited with a "B+" grade with a score of 2.53 and has been awarded the status of "College of Excellence" (CoE) by UGC in 2014.

ABOUT THE FDP

As a researcher, it is important for one to comprehend the basics, have a core knowledge to satisfy the purpose of Research and establish a suitable inference. This FDP provides an opportunity to the academicians to augment their researching skills and understand research methodologies. The FDP aims at discussions, sharing knowledge about the importance of research skills and existing opportunities in Science and Social Sciences by subject matter experts with practical exposure to faculty members and research scholars of allied areas. The objective of the FDP is to offer the participants with a chance to acquaint about modern developments that are taking place in various fields of sciences and social sciences; inculcate and enhance the abilities of faculty members to carry out independent research, conceptualize research projects, publish research paper in reputed national and international journals. Lectures and hands-on-practices on basic aspects of research topic selection, literature review, proposal and paper writing, will be conducted by the subject experts which will enable participants to grasp the content methodologically. This FDP will enhance the multilateral thinking approach and will impart capability to undertake multi-directional research work.
