Award of Non-Government Scholarships and Freeships

Scholarship/Freeships are offered to deserving and needy students to encourage them to take up Higher education. This incentive falls in line with the motto of Higher Education of the State: Access, Equity and Quality. Generation makes Nation. At Raghunath Girls Post Graduate College, we are committed to fostering academic excellence and providing opportunities for deserving and needy students to pursue their education unhindered by financial constraints. Our institution offers non-government scholarships and freeships to support meritorious and financially disadvantaged students. The following guidelines outline the criteria and process for awarding these scholarships and freeships:

Eligibility Criteria: Students must demonstrate exceptional performance in academics, sports, attendance and financial need to be considered for scholarships and freeships. Eligibility criteria may vary depending on the specific scholarship/freeship program.

Application Procedure: Interested students are required to submit a formal application along with relevant supporting documents, including academic result (marksheet), income certificates and any other documentation as specified by the scholarship/freeship committee.

Selection Process: The scholarship/freeship committee carefully review and select candidates based on their academic achievements, financial need and any other relevant criteria specified for each scholarship/freeship program. The list of selected candidates is pasted on the students notice board as well as the website so that all students are aware of the students who are selected. Time of 10-15 days is also given after that to entertain claims by other students as well.

Award Disbursement: Scholarships and freeships will be awarded directly to the selected candidates in accordance with the terms and conditions of each program. Recipients will be notified of their selection and the terms of their award.

Compliance and Reporting: The scholarship/freeship committee will ensure compliance with all relevant regulations and maintain records of scholarship/freeship recipients.

Fellowships are given by Alumni, family members of management, faculty members as well as other philanthropists of the city.
