

Facilities for Extra Curricular Activities

The institution actively promotes cultural engagement and creative expression through well-developed infrastructure and dedicated committees. An air-conditioned auditorium with a seating capacity of over 400 serves as the central venue for cultural programmes, seminars, workshops, and national celebrations.

The auditorium is equipped with a high-quality sound system, LCD projection facilities, and a fully developed stage setup, making it suitable for large-scale performances and academic events. Seminar halls and lecture rooms are also utilized by departments for organizing debates, exhibitions, and cultural competitions, fostering holistic student development. There is sufficient open space for activities and celebrations in central garden and hostel ground.
