

IT Infrastructure - Computer labs, Smart class, Internet & wifi

Raghunath Girls' Post Graduate College has developed a strong and secure IT infrastructure to support modern teaching–learning practices and efficient administration. The institution is equipped with three high-performance servers supported by 1 Gbps internet connectivity and firewall protection, ensuring safe and seamless digital access across the campus.

The college has 285 desktop computers and 26 laptops distributed across departments, laboratories, and administrative units. A well-established Local Area Network (LAN) interconnects classrooms, labs, seminar halls, and offices, enabling efficient communication and resource sharing.

To enhance digital learning, the campus features 19 smart classrooms and 10 ICT-enabled classrooms, all equipped with multimedia projectors and audio-visual facilities. Three seminar halls and a fully equipped auditorium support large-scale academic and co-curricular events. The institution also uses a Learning Management System (LMS – Pragyan) to integrate technology with pedagogy.

Dedicated 2 computer labs, including a Skill Development Centre with 98 systems and an English Language Laboratory & several departmental computer lab, provide hands-on training and improve students' digital and communication skills. The campus ensures reliable internet and Wi-Fi connectivity, supported by essential software such as MS Office, OpenOffice, and updated antivirus systems.
