The institution features 34 well-equipped laboratories designed to support the practical and research requirements of various disciplines. These include specialized instrumental rooms and advanced science laboratories that enhance hands-on learning and innovation.

Departments such as Zoology and Botany are equipped with modern teaching aids like visualizers and research laboratories, including an air-conditioned research lab in Zoology. The B.Voc (Yoga) programme is supported by specialized laboratories for Naturopathy, Hydrotherapy, Mud Therapy, and Shatkarm practices.

To promote experiential learning, the college maintains three departmental museums. These include rich collections in Zoology, Botany, and History. The History Museum, in particular, preserves replicas, miniature paintings, and rare coins, enabling students to connect theoretical knowledge with historical artifacts.
